Ex. 6 - Personal Privacy

Subject: Excelsior AE - draft ROD

Hi Kate, Nancy, and David

Attached is a draft of the ROD for the Excelsior AE. There are several comments in the document, including questions for EPA and some things that we may need to ask Excelsior to provide. Please let us know if you want to prepare a formal set of questions.

Ex. 5 - Deliberative Process

Highlighted notes in the attached identify figures we could use in the ROD; please let us know if you would like us to compile these into a document. (The files get big pretty fast when we do that.)

Please let us know if you have any comments or would like to discuss the attached.
